And the heart of the home, the open-plan second floor, boasting a gas fireplace with tile surround and stained wood mantel in the living room, and Carrara marble counters, white cabinets (with under-cabinet lighting), stainless appliances, and a large island in the kitchen to enjoy it all every day. All in a central location mere blocks to parks, restaurants, coffee shops, and bars. Plus parking in the 1.5 car garage (and storage!), driveway, and with additional parking on the street.
